Retractable Banners

Light-weight and portable, these retractable banner stands are just as easy to set up as they are to carry around. Simply raise the graphic from the spring-loaded base and hook it to the included pole. Your graphic is always protected inside the hardware while packed for transportation.

Optional easy-to-attach spotlight.

Non-Retractable Banners

Magnetic Pop-Ups

These non-retractable banner stands are just as easy to set up as they are to carry around. Simply unfold the pole and attach the graphic. Your graphic and hardware are easily portable inside the canvas carry bag. When it's time for a new image, simply print a new graphic to use with your existing hardware.

This folding frame allows for easy setup and is strong enough to withstand vigorous use and transportation. Prints are laminated to prevent scratching during setup and take down. Wheeled hard case and two lights are included. Optional case-to-counter graphic available.

Fabric Pop-Ups

Promo Tables

These large displays can be set up in less than a minute and are extremely easy to use. Wrinkle-free tension fabric allows the graphic to stay on the frame throughout transportation.

Easily protect and convert a simple serving table into a branding opportunity. Washable and wrinkle-resistant tension fabric allows the graphic to be used and re-used at indoor and outdoor events.

Tents & Flags

These tent frames are 100% aluminum. This means that there are no easy-to-break plastic components. Have confidence that these frames will last through event after event, even withstanding outdoor elements.

The prints are all heat-transferred onto water-repellent oxford fabric so you get flawless quality with outstanding durability.

Mounted Substrates

Fabric Dye-Sub

When your project requires a more rigid print, mounting onto a thicker substrate is a great solution. Our assortment of specialized substrates allows for a wide range of indoor and outdoor applications.
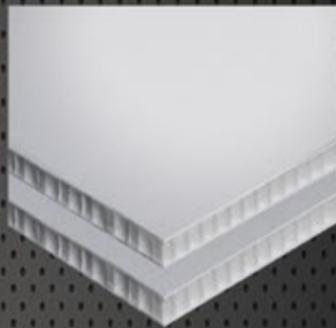

Whether producing a tradeshow booth, event structure, retail display, or interior decor, our selection of specialty fabrics offers the perfect textile for your project. Using the process of heat transfer dye-sublimation, your graphic will be vibrant with brilliant colour. Additionally, many of our fabrics are washable and wrinkle-resistant ensuring a clean, polished look use after use.
